

JONATHAN J. MOSES

PROFESSIONAL BIOGRAPHY

Jonathan (Jake) Moses recently graduated *cum laude* from the [University of Miami School of Law](#), and he is a member in good standing of the New York State Bar. He has worked in a variety of legal positions, including a judicial clerkship and an internship with the International Arbitration Group in the Paris headquarters of [Freshfields Bruckhaus Deringer](#), one of the largest law firms in the world.

In addition to U.S. law, Jake Moses's law school curriculum was heavily focused on international law. He followed courses in International Commercial Arbitration, Transnational Litigation, International Economic Law, Arbitral Procedure, Investment Arbitration, and Comparative Law. He excelled in his coursework, and was distinguished with [CALI Awards](#) for highest performance in both International Economic Law and Comparative Law.

Jake Moses is also an expert in Information Systems. Prior to enrolling in law school, Jake Moses was the Network Administrator for a state government agency, where he directed technology policy, and managed the networks for six offices spread over a five-county district. While working full-time as a Network Administrator, Jake Moses also attended university full-time, where he earned his Bachelor of Arts degree, double-majoring in Political Science and French. In addition to earning a double-major, he minored in Information Systems and earned a [Certificate of International Relations](#).

Jake Moses is conversant in French.
He was admitted to the New York State Bar in May 2011.

EXPERIENCE

Contract Legal Intern/Attorney / September 2010 – present
Kenny Nachwalter | Commercial Fraud Defense | Miami, Florida
De Novo Legal | Intellectual Property | Washington, D.C.
Compliance Legal | Mergers & Acquisitions | Washington, D.C.

University of Miami / Coral Gables, Florida
Research Assistant to Professor Ricardo Bascuas / February – July 2010.

- Researched for law review articles and federal criminal appeals.
- Drafted court filings.
- Prepared notations for a forthcoming Thompson West Criminal Procedure casebook.

Freshfields Bruckhaus Deringer / Paris, France
Legal Intern / July – September 2009

- Researched complex issues arising from a multi-billion euro international dispute over the construction of a nuclear power plant. Research areas included excavation tolerances, value added taxes, General Agreement on Tariffs and Trade Article XX exceptions, and the history of the “measured mile” analytical approach to measuring labor productivity losses on large construction projects.
- Drafted legal memoranda on substantive and procedural arbitral matters, including objections to the production of draft expert reports, maritime border disputes, and choice of procedural law.
- Catalogued thousands of technical documents, reviewing each to determine responsiveness to production requests in accordance with a Redfern Schedule.

Eleventh Judicial Circuit Court of Florida / Miami, Florida
Judicial clerk to the Honorable Judge Wendell Graham / January – March 2009

- Conducted legal research and drafted bench memoranda on diverse issues including discovery disputes, evidentiary motions, and tenants’ rights.
- Attended and observed trials and hearings, and participated in discussions regarding legal issues and their impact on disputes before the court.
- Worked closely with the judge in his rendering of decisions on complex legal issues.

Southwest Utah Public Health Department / Cedar City, Utah
Network Administrator / October 1999 – June 2007

- Developed technology strategy and advised directors and managers on the incorporation of technology to increase the efficiency and effectiveness of current practices.
- Determined technology procurement needs, solicited and analyzed bids, managed orders and administered complex technology contracts.
- Managed computer networks in six offices over a five-county district.
- Delivered large technology projects on schedule/budget.
